My mom is the best, in the north, south, east and west; the most

pa - tient and the nic - est, and the smart - est of the rest. Her

kiss can dry a tear. I feel safe when she is near. When a

sca - ry dream wakes me up at night, she com - forts all my fears. She

got my kite out of a tree and saved me from a bum - ble bee. She

searched the house with - out de - lay the day my pet snake got a - way. She
